Part A: Pupil premium strategy plan

Statement of intent

At Wimbledon Park the ultimate objectives for our disadvantaged pupils are:

- 1) They will reach their full potential - emotionally, socially and academically
- 2) All staff will work together to close any attainment gap between PP and non-PP pupils.
- 3) We will create and sustain a culture of high expectation for all pupils
- 4) Through training and challenge within our school community we address any conscious or subconscious bias that can limit the outcomes of disadvantaged pupils.

At Wimbledon Park the key principles of our strategy plan are that:

- Care and commitment underpin all our work to improve the outcomes for disadvantaged pupils.
- We build positive relationships with all pupils and their families
- We use an evidence-based approach when making decisions
- Careful planning and high-quality teaching make the biggest impact, and is the most important factor in improving outcomes
- We adopt a culture of early intervention
- Less is more – selecting a small number of priorities and giving them the best chance of success will be the most effective approach
- Knowing that pupil premium pupils are individuals and not a homogenous group.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Lower levels of family engagement
2	The diverse range of need represented within our disadvantaged pupils
3	Attendance
4	More Pupil Premium children to attain at expected and higher levels (GD)

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Increase family engagement with school	Parents attend parents' evenings, information workshops and SEN support meetings (where applicable) Monitoring and follow up to ensure engagement
Increased attendance	PP pupils will have expected or above attendance figures (90%+) Individual families where pupils have very low attendance figures to have additional support – EWO referral, Early Help to address wider need. Review half termly.
PP pupils will make accelerated progress from their starting points	Assessment data evidences accelerated progress
% achieving the threshold for year 1 phonics screening check at the level of peers EYFS Good Level of Development performance met Outcomes from Year 4 MTC at the level of peers Year 6 statutory assessment points in line with peers	Assessment data outcomes

Activity in this academic year

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

Outcomes for disadvantaged children were relatively strong across the school, but greater consistency across phases is targeted, particularly focused on extending to greater depth:

- Attendance of pupil premium children was 94.3% (and 25% of pupil premium children were persistently absent)
- 20% of PP children reached the good level of development at the end of Reception (below non PP)
- Y1 Phonics 75% of PP children met the threshold (below non PP)
- Y2 100% of PP children achieved EXS in Reading, 50% in writing and 50% in maths. 25% reached GD in all of reading, writing and maths.
- Y4 MTC PP average score was 23.8 out of 25 (just above non PP pupils)
- Y6 SATs 50% of PP children reached expected standard in all of reading, writing and maths, and 8% reached GD in reading, writing and maths combined (all above non PP)
